

FIBERGLASS-FREE RELEASE SHEET™
CROSSFILM® RELEASE SHEET
NSF® CERTIFIED

NON-STICK RELEASE SHEET MADE WITHOUT FIBERGLASS FOR ALL CLAMSHELL-TYPE GRILLS

FIBERGLASS-FREE NSF® CERTIFIED RELEASE SHEET

- **NSF® Certified**, providing more peace of mind regarding product quality.
- **Fiberglass-Free Release Sheet™**, provides a longer lasting and cleaner sheet for cooking and avoids the potential for transferring fiberglass to food during cooking.
- TCI's material technology produces a Fiberglass-Free **non-stick** product that is all-PTFE.
- **Continuous use temperature** of up to 550°F (287°C).
- **Diswasher safe**, not affected by cleaning chemicals.
- **Recyclable material**.

THICKNESS OPTIONS AVAILABLE
